Welcome

The Unione Sportiva Primiero after the positive experience of 2017 is very pleased to welcome **Primiero O-Week 2019**, five days of orienteering in the heart of the Dolomites UNESCO World Heritage. The Organizing Committee is working hard to honor in the best way its commitment to orienteers from all over the world.

We would like to organize technically interesting races in beautiful landscapes and in the context of environmental interest because we believe that doing orienteering in the Dolomites can be a unique experience.
